Minutes of Aldham Parish Council meeting held on Tuesday 6 <sup>th</sup> . January 2026 at 7.30pm in the Village Hall at Aldham	Action
<p>Present: Cllrs M. Lambert (Chair), A. Scott (Vice-Chair), B. Brown, J. Jennings, T. Gearey, R. Walker, CCC D. Willetts and Kevin B. Money (Parish Clerk). There were also present 1 member of the public.</p> <p><b>001/2026      Apologies for Absence</b> were received from CCC Cllr S. Naylor, Cllr A. D'Angibau</p> <p><b>002/2026      Declaration of Members interests</b> To declare any Disclosable Pecuniary, Pecuniary or Non-Pecuniary interest relating to items on the agenda. Cllr A. Scott declared an interest in item 10</p> <p><b>003/2026      To approve the minutes of the last meeting held on Tuesday 2<sup>nd</sup>. December 2025</b> <b>All Agreed</b></p> <p><b>004/2026      Public Open Forum (Maximum 15 minutes)</b></p> <ul style="list-style-type: none"><li>• National Grid CEO has left his position</li><li>• NESO has a conflict of interest in the project over share options</li><li>• Solicitor's letter sent to Planning Inspectorate regarding at least 60 people reporting registration system intermittently not working. PINS reply indifferent</li><li>• Advertising Standard Authority has refused to take action against NG for the misleading advertorials in national papers / magazines</li></ul> <p><b>005/2026      Visitors Report</b> (CCC Dennis Willetts / CCC Sara Naylor / ECC Lewis Barber) CCC D. Willetts informed the meeting that it is a quiet time at CCC. Local Plan consultation has been circulated. CCC Councillors are confused why Mayoral elections have been put off for another 2 years. Re-organisation has ground to a halt over Treasury concerns it could take 13 years to pay back the expense of setting up the Five Unitary option but less time for Three Unitary Option (see below). Government has given CCC an extra £1m towards revenue budget for 26/27. However, the cost of housing the homeless has increased dramatically, more than off setting this additional grant.</p> <p><b>006/2026      Local Government Reorganisation in Essex – Cllr M. Lambert</b> To consider what response to make to options for local government in Essex <a href="https://www.gov.uk/government/consultations/local-government-reorganisation-in-essex-southend-on-sea-and-thurrock/proposals-for-local-government-reorganisation-in-essex-southend-on-sea-and-thurrock">https://www.gov.uk/government/consultations/local-government-reorganisation-in-essex-southend-on-sea-and-thurrock/proposals-for-local-government-reorganisation-in-essex-southend-on-sea-and-thurrock</a></p> <p>The Government is currently consulting on options for replacing Essex County Council, Southend &amp; Thurrock Unitary Authorities and the City/District Councils with larger Unitary Authorities across the whole County. The new structure would also involve the creation of a new role of Mayor of Essex in a combined authority with significant powers over Transport, Housing &amp; Skills. The election of a new mayor of Essex has been postponed until after the reorganisation of local government in 2028 following elections in 2027. There are four proposals for differing structures of Local Government:</p> <ol style="list-style-type: none"><li>1. Three Councils, proposed by Essex County Council, Braintree and Epping Forest District Councils, which puts Colchester in North Essex with Tendring, Braintree and Uttlesford</li><li>2. Five Councils proposed by Colchester and most of the other District Councils in Essex which puts Colchester with Tendring and Braintree</li><li>3. Four Councils, proposed by Rochford Council which also puts Colchester with Tendring and Braintree, and</li><li>4. Four Councils, proposed by Thurrock which puts Colchester with Tendring and Maldon.</li></ol>	

<p>Proposals 1 and 2 appear to be the strongest candidates and the final decision will be made by the Government following the current consultation. The objective is to create new authorities that can demonstrate greater cost efficiencies and provide local democratic accountability.</p> <p>Essex CC have carried out an extensive piece of work on Proposal 1, a summary of which can be found here:</p> <p><a href="https://www.essex.gov.uk/sites/default/files/2025-09/Three%20new%20councils%2C%20one%20bright%20future%20-%20Essex%20LGR%20proposal%20-%20Overview_0.pdf">https://www.essex.gov.uk/sites/default/files/2025-09/Three%20new%20councils%2C%20one%20bright%20future%20-%20Essex%20LGR%20proposal%20-%20Overview_0.pdf</a></p> <p>In essence it creates three 'City Regions' based upon Colchester, Chelmsford and Southend, each with a population of 560,000 - 769,000, underpinned by what it calls Neighbourhood Delivery Committees, based on current County Wards, which would have delegated powers on certain matters and a dedicated discretionary budget. It also suggests that Parish Councils could be represented on these Neighbourhood Delivery Committees</p> <p>Proposal 2 has also been the subject of a detailed appraisal of the costs and benefits by the Councils supporting it that can be found here:</p> <p><a href="https://www.essexlgrhub.org/sites/default/files/4799901/2025-09/Greater%20Essex%205UA%20LGR%20Proposal%20-%20Creating%20a%20greater%20future%20for%20Essex.pdf">https://www.essexlgrhub.org/sites/default/files/4799901/2025-09/Greater%20Essex%205UA%20LGR%20Proposal%20-%20Creating%20a%20greater%20future%20for%20Essex.pdf</a></p> <p>The five authorities would be 320,000-360,000 in population, apart from North Essex which would still be over 500,000. It proposes two Councillors for each Ward of 6,000 electors and three Councillors for Wards of 9,000 electors.</p> <p><b>Summary:</b></p> <p>All the options put Colchester in a new unitary authority of over half a million people but the three authority proposal is the only one that appears to set out a structure for local accountability that might have relevance for Parish Councils in the future.</p> <p>Councillors were in favour of the three Council proposal proposed by ECC</p> <p><b>007/2026 National Grid</b> – update from Cllr A. Scott</p> <p>No update from the Planning Inspectorate yet regarding date of Examination and issues they want to consider. A total 3800 of representations were submitted of which 68 representations referred to Aldham. Waiting for timetable to be published.</p> <p><b>008/2026 Gallows Green Grant Application</b> – update from Cllr M. Lambert &amp; Cllr B. Brown</p> <p>No further update on the application. Cllr M. Lambert has been in contact with Adam Hull</p> <p>Post Meeting Note: Contact details for FWAG now received</p> <p><b>009/2026 Footpath and PROW update</b> – Cllr J. Jennings</p> <p>- Update on closure of FP7 at Ashington Lodge</p> <p>Cllr J. Jennings has walked FP7 which is open with "dog sign to be aware" having been erected. The footpath is still open after the white stile. Cllr J. Jennings to inspect the footpath again.</p> <p><b>010/2026 Planning</b> – including any Current Planning Applications requiring a response</p> <p><b>Local Plan Review</b> - Consultation on Preferred Options</p> <p>a) Update from Cllr M. Lambert regarding discussions with neighbouring Parishes, including draft Joint Statement to be considered at further meeting on 8th January.</p> <p>Councillors considered their response to the draft statement and to the three sites identified in Aldham Parish, namely PP18 north of A120 at Marks Tey, PP32 north of Halstead Road and PP45 west of New Road.
